2 Select 「富山マラソン 2023」 and search for your name in (runner search). ※Images are from the 2022 page.

3 Select your name from the list. You can check your finish time and personal record details.

4 Click the image of the paper template below to download your award certificate.

※You do not need to be logged in to RUNNET to issue your award certificate.

※You will only be able to have your award certificate issued until November 4, 2024, so please be sure to download it before then.

<About your award certificate>

You can receive your preliminary award certificate directly after the marathon.

Around a week after the marathon, official award certificates (certificate of completion for confirmation record) will be available. Your overall rank and rank among your age group will be printed. ※Preliminary certificates cannot be generated following the official confirmation.
